

Hi! I'M MRS. REGIER

Hello Everyone,

Welcome students and parents to our **classroom community** in 5/6 R, which is Grade 5 and Grade 6 with Mrs. Regier. It's hard to believe but it's that time of the year again - the beginning of a new school year. I hope you had a relaxing and event-filled summer. **Welcome back!**

Your child and I will be sharing a very special experience this year. We will be spending a good part of everyday together **discussing, socializing, creating, questioning and learning**. This year I hope to get the students more involved in more **technology, collaborative thinking** and inspiring your students through **inquiry engagement**. This relationship, like any other relationship will be based on **trust and mutual respect** for one another. **Together** we all can achieve wonderful things.

Cooperatively, we will be working towards their educational, personal and character growth. Each student will be encouraged to use creativity, care about others and the environment, be persistent and that it's okay to make mistakes (the only people who never make mistakes are the ones who never try). Finally, try to pick out the good qualities in others and yourself, while being tolerant and accepting of the **differences of others**.

As well, I hope to instill in each student a **Growth Mindset** this year to help them in the following years as they grow and mature. We will continue to strive for a mindset where each student believes that **nothing is easy** but it's okay to **embrace challenges, keep going even when it's hard**, are inspired by the success of **others, learn from criticism and see effort as the journey to success**.

There's a lot of **excitement** ahead of us, including new teachers to meet, new books to read, new friends to find and new skills to master...and I look forward to you sharing in those exciting times. It's going to be a very productive year full of **education and exciting learning experiences**.

I hope this year is a special one for you and the BEST YET! **Keep smiling!**

A few OF MY favorites:
